introduction

SA Print Zone is a budding state of the art full-service printing company that was established in 2020. We are focused on the printing needs of educational institutions, the corporate sector and the general public. It is our intention to provide the best possible printing solutions where attention is given to the quality and detail, resulting in satisfied clients with whom we have lasting business relationships.

As businesses have started re-emerging post covid and the national feels the excitement of shopping again we've grown to include brand activations. This exciting addition to our business profile includes professional designing to the clients needs, procurement of all items to fulfill the full activations success. Following international trends of not only celebrating holidays and special occasions but presenting your specific brands to customers.

The foundation of our business is integrity and honesty working with suppliers and clients alike. We take pride in the client relationships that have developed resulting in interdependency and mutual growth.

A stack of various office supplies including stationery, certificates, invoices, documents, annual reports, files, folders, deskpads, and pens. The items are stacked on top of each other, with some showing colorful patterns on their edges. The word 'corporate' is written in large black letters at the top left, and 'logos' is written in smaller black letters at the top right.

sublimation

sublimation printing is a digital printing process that uses heat, pressure, and time to transfer dye onto different materials.

take your creativity to new heights with unique, high-quality designs and vibrant colours

design your own and allow us to print it for you

Our services and printing range from handbills, brochures, flyers, posters, calendars, presentation, folders, corporate stationery, NCR nooks, banners, business cards, seasonal cards, magazines and manuals, sublimation printing, heat pressing, activation manufacture and installations. We are equipped with extensive capacity to print large quantities and quality prints that resonate with our client's brand and products and which match globally acceptable standards. In addition to promotional and marketing material we are able to provide our customers with an extensive selection of car wraps, indoor and outdoor signage which include 3D Cut-outs, light boxes, fabricated and illuminated signage, perspex and much more.
